

We are proud to host this reception for 2018 SEED Conference attendees.

Welcome to ASU and we invite you to get to know our faculty, staff, students and facilities!

Buildings highlighted tonight:

Biodesign A & B

Interdisciplinary Science and Technology Building (ISTB) 4

The institute's security protocol requires that:

1. Photos will not be taken inside the facility.
2. Participants must stay with the group at all times.
3. Participants should wear close-toed shoes, if possible.
